Words & Music by Don Gibson

Those hap - py hours that we once knew, Though long a -

go, they still make me blue. They say that time

heals a bro - ken heart. But time has stood still since we've been a -

part. I cant stop lov - ing you, I've made up my mind
I cant stop lov - ing you, There's no use to try

to live in mem - o - ries of the lone - some kind. I cant stop
pre - tend there's some - one new C I can't live a lie. G7 I cant stop

want - ing you, It's use - less to say; So I'll just live my life in
want - ing you The way that I do There's on - ly one love for me, and

dreams of yes - ter - day. Those hap - py
that one love is you.
